

MAEAP Livestock Site Screening

This is an educational risk assessment for the Michigan Agriculture Environmental Assurance Program (MAEAP) and is not considered an MDARD Site Selection determination or proactive GAAMPs review.

This site screening assesses some of the criteria in the Generally Accepted Agricultural and Management Practices (GAAMPs) for Site Selection and Odor Control for New and Expanding Livestock Facilities.

Applicant Information

Site Location

Owner Name:	Site Address		
Farm Name:	City	State	Zip
Phone Number	County	Township	Section
Mailing address	Crossroads		
Email	Latitude	Longitude	
Date of facility construction or latest expansion:	<input type="checkbox"/> Livestock facility <50 AUs was constructed before 2015 <input type="checkbox"/> Livestock facility <50 AUs was constructed between January 2015 and May 2019 and producer affirms the property had agricultural use by right		
Dates of MDARD Site Selection approval (if applicable):			

Livestock Group at Date of Construction or Latest Expansion

Livestock Type	Average Weight	Number	Animal Units
Total			

Number of non-farm residences on date of construction or latest expansion:

	0-49 Animal Units: Number of non-farm residences within 1/8 mile
	50-749 Animal Units: Number of non-farm residences within 1/4 mile
	750 + Animals Units: Number of non-farm residences within 1/2 mile

Digital Mapped File (KMZ File Preferred)

Included <input type="checkbox"/>	NA <input type="checkbox"/>	Site Map: indicates animal housing buildings, lots, and manure storage structures – Red polygon outline, labeled with red placemark and date of construction. Optional: label other farm buildings with green placemarks
Included <input type="checkbox"/>	NA <input type="checkbox"/>	Created neighbor radii from the edges of the facility in Red circle measures. (1/8 mile for <50 animal units, 1/4 mile for 50-749 animal units or 1/2 mile for 750+ animal units as appropriate).
Included <input type="checkbox"/>	NA <input type="checkbox"/>	Plotted non-farm residences at the date of construction or latest expansion in WHITE and numbered farm residences plotted as Green placemarks.

Acknowledgement: **To the best of my knowledge, all submitted information is accurate. I understand that inaccuracies or omissions may invalidate any assessment made by MDARD, including a MAEAP verification.**

For an official determination, please submit a GAAMPs Review application to MDARD.
